

Dear Parents and Carers,

A reminder that next Friday, 24th October, is a non-pupil day. The children will return to school after the half-term holiday on Monday 3rd November.

Please also note that we have school photos on Monday 20th October, so all children need to wear school uniform to school in the morning and bring their PE kit to change in to for their PE lessons on the day.

The children have been very excited this week as we had our new climbing frame 'pick up sticks' installed on the playground. Friends of School have worked hard and saved over several years to purchase this large piece of playground apparatus. Friends of School have always supported each class and the whole school with additional resources and funds for trips and treats and have also managed to save a huge amount of money for such a major purchase.

We are incredibly grateful to the current and past FoS members who have all contributed to this project coming to fruition. I know that our new committee have a really exciting fund-raising idea for Christmas so please support them as much as you can to help them provide well for all of your children.

Here are some photos of the joy which the building of the climbing frame has brought this week.

Best wishes,

Donna Butler (Head of School)
