AUTUMN TERM 2025-26 NEWSLETTER ISSUE 5 FRIDAY 10<sup>TH</sup> OCTOBER 2025

Dear Parents and Carers,

Today, our school turned a bright shade of sunshine as pupils and staff came together to mark World Mental Health Day through the national Hello Yellow campaign. In a sea of yellow clothing, accessories and smiles, we united to show our support for the mental health charity Young Minds, raising both awareness and funds for an incredibly important cause.

Children (and staff!) were invited to wear something yellow and make a donation to support young people's mental health. We're proud to share that half of the money raised was donated directly to Young Minds, while the other half has been allocated to our wonderful team of Wellbeing Ambassadors, giving them a dedicated fund to support other wellbeing initiatives throughout the year.

Led by Mrs Cloud, our Wellbeing Ambassadors brought energy, creativity and compassion to the day's events. They organised a fun "Guess the Name of the Llama and Frog" competition that had everyone talking, and also ran a beautifully calm colouring competition, encouraging mindfulness and creativity.

Of course, no wellbeing event would be complete without a Wellbeing and instruments session – and as always, our lunchtime club was a hit. The bubble machine proved as popular as ever, creating a playful atmosphere that the children truly love.

Mental health matters every day of the year, but Hello Yellow was a powerful reminder of the positive impact we can have when we come together, have fun and look out for each other. Thank you to everyone who took part, donated, and helped spread a little sunshine in support of young people's mental wellbeing.

Warm regards, Donna Butler (Head of School)
